## Vera Wang Luxe Collection now at Blush Occasions

SEP 28, 2011 AT 8:01 PM

**S**oon-to-be brides, this one's for you. Last Thursday evening we visited [Blush Bridal & Special Occasions](#) in West Vancouver to preview the Vera Wang Luxe Collection. The haute couture collection—which has outfitted celebs like Chelsea Clinton, Hilary Duff, and Ivanka Trump on their special day—is exclusive to the Blush Bridal salon *and* the only location to carry it in western Canada. Owner Lorna Paterson was thrilled to add the collection to the other 13 lines she carries, pointing out that brides no longer need to travel to New York City: "Vera brings new ideas and freshness to each collection and Vancouver brides love her iconic, edgy, fashion-forward designs. What we offer in the Vera Wang shop-in-shop is a more comprehensive selection of gowns and an authentic Vera Wang experience." Gowns from the Luxe Collection range between \$8,000-\$14,000. The salon also carries the Vera Wang Collection with prices ranging from \$3,000 to \$8,000.

Blush Bridal is hosting its annual Vera Wang Trunk Show all this week (September 27-October 2). —*Caroline Forsyth*
