Girl of the Week

Meet Girl of the Week **ALISA WEST FOLK**. One half of the mother-daughter team behind the lovely [wish.list boutique](#) in Vancouver. We first met Alisa & her mom way back when we pulled product for a Breakfast TV shoot - so we're super excited to have her here...say hi to Alisa.

My style is...Super girly but still comfortable, I love wearing a basic tee, skinny jeans with flats or boots, and I'm all about accessorizing of course.

Can't stop wearing my...My Lululemon yoga pants.
